

Sustainable Energy  
Fund for Africa

# Application form

## Request for SEFA Funding

Thank you for your interest in the Sustainable Energy Fund for Africa (SEFA). Please complete this questionnaire and submit your request to the SEFA Technical Unit<sup>1</sup>. The information provided will be reviewed and verified against SEFA eligibility criteria published on SEFA's webpage and other technical considerations for probing the soundness of your business model and the readiness of your project. Information provided in this questionnaire is protected by the African Development Banks' confidentiality policy.

Once your submission is received by the SEFA Technical Unit, the reception will be confirmed within one week. If you do not receive an acknowledgment of receipt from the SEFA Technical Unit within one week, please follow-up with us. Should you not receive any additional correspondence from SEFA, it would mean that your project does not qualify for SEFA's priority pipeline of the moment and therefore your request will not be processed further.

Kindly note that detailed feedback and opportunity for direct interaction will only be provided for projects SEFA decides to process further.

We look forward to receiving your **application**.
